Getting Bi

Voices of Bisexuals
Around the World

Second Edition

Getting Bi's first edition was hailed as a masterpiece by community activists, scholars, writers, professors, the LGBT media, healthcare professionals and thousands of readers just like you.

This international anthology of personal narratives, written by teenagers, grandmothers, and everyone in between, presents a compelling look at contemporary bisexual experience.

“If you want to know what bi people are thinking, feeling, doing – you’ll find answers here.”

– Loraine Hutchins and Lani Ka’ahumanu,
co-editors, *Bi Any Other Name:
Bisexual People Speak Out*

In the Second Edition, you’ll find:

- 42 countries represented, including 10 additional from Iceland to Pakistan
- 220 first-person narratives, including 36 new entries
- Updated features and articles
- New design, more photos

If you’ve ever wondered “Why Bi?,” you’ll find out in this new edition of *Getting Bi*.
